# Acknowledgements

I would like to thank my family who have brought me this far in my career, especially my grandmother and papa who made the impossible possible when it came to lessons, camps, instrument fixes, etc. I also would like to thank my friends who have supported me over the years through my panic attacks, bad jokes, and hardships. To Serena Weren who has shined as a mentor and advisor, caring for my development and well being as a player, student, and person. Lastly, a major thank you to a Mrs. Patti Adams for pushing me through my hardest days, continuing to believe that I can always give more, and genuinely caring for her students well being way past graduation. I would not be at this point without all of you.
